

# GO\_Biological\_Process\_2021

innate immune response activating cell surface receptor signaling pathway (GO:0002220)

cellular response to lectin (GO:1990858)

stimulatory C-type lectin receptor signaling pathway (GO:0002223)

protein O-linked glycosylation (GO:0006493)

O-glycan processing (GO:0016266)
