GO_Biological_Process_2021
nitrogen compound transport (GO:0071705)
organic substance transport (GO:0071702)
cation transport (GO:0006812)
transepithelial transport (GO:0070633)
epoxygenase P450 pathway (GO:0019373)
response to zinc ion (GO:0010043)
vitamin transport (GO:0051180)
cellular response to copper ion (GO:0071280)
sodium ion transport (GO:0006814)
response to copper ion (GO:0046688)
