GO_Biological_Process_2021
positive regulation of transcription by RNA polymerase II (GO:0045944)
transcription by RNA polymerase II (GO:0006366)
transcription, DNA-templated (GO:0006351)
protein ubiquitination (GO:0016567)
snRNA transcription (GO:0009301)
mRNA processing (GO:0006397)
snRNA transcription by RNA polymerase II (GO:0042795)
mitochondrial translation (GO:0032543)
DNA metabolic process (GO:0006259)
positive regulation of transcription, DNA-templated (GO:0045893)
