GO_Biological_Process_2021
alpha-amino acid biosynthetic process (GO:1901607)
ornithine metabolic process (GO:0006591)
proline metabolic process (GO:0006560)
citrulline metabolic process (GO:0000052)
proline biosynthetic process (GO:0006561)
glutamine family amino acid biosynthetic process (GO:0009084)
glutamate metabolic process (GO:0006536)
glutamine family amino acid metabolic process (GO:0009064)
alpha-amino acid metabolic process (GO:1901605)
dicarboxylic acid metabolic process (GO:0043648)
