GO_Biological_Process_2021
positive regulation of receptor signaling pathway via JAK-STAT (GO:0046427)
positive regulation of receptor signaling pathway via STAT (GO:1904894)
regulation of cellular respiration (GO:0043457)
positive regulation of cellular respiration (GO:1901857)
regulation of receptor signaling pathway via JAK-STAT (GO:0046425)
O-glycan processing (GO:0016266)
innate immune response activating cell surface receptor signaling pathway (GO:0002220)
cellular response to lectin (GO:1990858)
stimulatory C-type lectin receptor signaling pathway (GO:0002223)
positive regulation of cellular metabolic process (GO:0031325)
